Scholarships Available:

A fee is charged for this Extension program to cover costs. A limited number of scholarships are available to individuals unable to pay. No person shall be denied access to the information provided through this program because of inability to pay. For persons with disabilities requiring accommodations, please contact Suzanne Hebert at 603-862-3200 by September 24, 2008.

Who Should Attend?

This program is intended for people who are policy makers or are in the business of developing, maintaining, or preserving shoreland properties, and others who are concerned about the impacts of landscaping on water quality, including:

- * *Landscape designers, contractors and maintenance professionals*
- * *Members of Lakes and Rivers Associations and/or Conservation Groups*
- * *Golf Course and Parks Personnel*
- * *Water Districts and Municipal Employees*
- * *Decision-makers who need to understand ecological approaches to landscaping for water quality protection*

Details:

Registration fee includes the two-day program, a book, lots of additional resource materials, lunches and coffee breaks, a certificate of completion, and a window decal for your truck or office.

If you have questions please call Suzanne Hebert at 603-862-3200, or email suzanne.hebert@unh.edu.

Refund policy:

Registration fee is fully refundable prior to October 1, 2008. Between October 1 and October 5, registration will be refunded at 50%. No refunds can be made after October 5, 2008.

The University of New Hampshire is an equal opportunity educator and employer. University of New Hampshire, U.S. Department of Agriculture and NH counties cooperating.
